

The first vision in our vision statement says “We envision The Ark to be a place where the Good News of Jesus Christ, Who he is and what he has done for us in His birth, death and resurrection, is taught and preached to thousands, including those who know Him but especially those who do not!”

We aren't quite reaching thousands of people – yet...though we do get a bunch of hits on our website. Why do we think this is so important? Obviously, it is the reason for our existence! As a Christian on Long Island, it is not extreme to say that there are many who are dying without recognizing the Truth. Too many think that God is immaterial, or worse, nonexistent. Most think that God can be won over by the wonderful things they can do for him and for others.

The Bible tells us that Jesus the Son is the only way to the Father and eternal life. It also tells us that the Son and the Father, along with the Spirit, are one – in other words, Jesus IS God. Yet, so many around us will say that Jesus was a good man, but nothing more. They'll say that those good things that they do will get them to heaven. These people need someone to tell them the Truth! God has asked, ‘Whom shall I send’ to tell them this Truth? We have raised our hands!

To be part of this family, you need to share our family values. No family can stand together if they are in disagreement about their values. Look at the Kennedys. Look at the Bushes. Look at your own family. You will find that there are family values that everyone agrees on. Anyone who does not agree with those values are considered “black sheep” and treated as outsiders. Do you share in our family values? Is reaching out to others with the Good News of Jesus something that you desire to do? If so, then join us as we raise our hands to God and respond to Him, “Here we are Lord, send us!”
